2010 International Quartet Champions

**Jeff Selano-Tenor**, has been a name in the Barbershop Society for a number of years. A native of Toronto, Canada, Jeff was introduced to Barbershop by his father, Julian, singing in the International champion chorus, the Dukes of Harmony. Jeff sang with the International qualifying quartet, Bandstand, in the '90s, and may also look familiar as he spent several years singing bass in the five-time medalist quartet, Riptide. In addition, Jeff spent six years as a Certified Singing Judge in the Barbershop Harmony Society. Jeff operates his own chiropractic clinic, owns a childcare franchise, and is the inventor of the Viper Cell fuel saving device. He lives near Atlanta, GA with his lovely wife, Mary, and their incredible kids, Julian, Camille, and Anabelle.

**Jim Clark-Lead**, got his barbershopping start in the Rocky Mountain District, watching his Dad, Dr. Dan Clark, singing in the RMD quartet, Chordial Celebration, and in the Scottsbluff, NE chorus, the Sugar Valley Singers. While in college, Jim sang in a number of quartets, including the 1995 CSD champ, Freefall, and the medalist college quartet, Millennium. Professionally, Jim is a Director of Development with Harmony Foundation International. He enjoys spending time at home with his wonderful wife, Rhonda, and their beautiful sons, Simon & Seamus.

**Darin Drown-Baritone** was introduced to Barbershop watching his father sing in The Chordial Celebration quartet. While a trumpet major at the University of Nebraska, Darin founded a college quartet, The Four Hoarsemen, who competed in the first-ever International Collegiate Quartet contest in New Orleans in 1992. Darin has taught music professionally for the past 21 years; he is currently the Director of Vocal Music at Grandview High School in Aurora, CO. Darin also directs the six-time International medalist chorus, Sound of the Rockies. Darin spends what little free time he has with his wonderful family – wife, Jenny; son, Colin; and daughter, Mary.

**Syd Libsack-Bass**, has spent all his life immersed in the barbershop hobby. His father, Steve, nearly missed Syd's birth as his quartet, the Chordial Celebration, was returning from a show. Inspired by seeing his dad singing, during his freshman year of college, Syd would found the College Quartet, Millennium, alongside life-long friend Soren Wohlers. Millennium would win the college gold medal in 2000. Syd's professional career has him managing a capital markets group for TCF Bank in Minneapolis, MN, where he lives with his wife, Abby, and two children, Carley and Graham.
